THE BABY HAS ARRIVED!

Mrs. Kim gave birth to baby boy Connor last Monday.
He was 20 ½ inches long and weighed 8 lbs, 1 oz.
Mother and baby are both doing very well.

Medicine Policy

If your student takes medicine at school, it **MUST**
be brought to school by the parent,
(not the student) in the original bottle.

A "Permission to Administer Medication" form must
be completed by the parent as well. This applies to both
prescription medication and over the counter medication.
No student should have medication at school.

??DID YOU GET IT??

The PTO recently sent home an anonymous survey for ALL parents to complete regarding any suggestions and/or recommendations you have that will help our PTO better serve the needs of our families and school.

The survey also asked that families who have chosen to NOT join tell us why, so that we may address any issues. This is not a notification of membership or non-membership, it is simply a survey.

We ask that all parents please take a moment to read over and complete the survey, whether you are a member or not and send it back to your child's homeroom teacher.

To better serve the needs of the students, parents and school, we need your feedback!

Thanks,

Bill McCoy

We can win 18,000 cans of food for needy families in Jacksonville!

Please help in spreading the word.

Lots of canned food is available to Jacksonville if we all play the "football game" at chunky.com.

You can "play" once a day per computer (home and work). It only takes about a minute.

Go to www.chunky.com. Click on "click for cans".

Click on "vote now". Then scroll down until you see the Jags helmet and click on the @ that you will see between the Jags helmet and the other team's helmet. Then click on the small circle under the Jags helmet. Finally you have to type in the code that you see. Type it exactly the way it is typed and then hit "submit vote".

Please tell everyone you know and play every day. The first round ends on Sunday, December 28th. If we qualify, we will continue in the "playoffs". Let's help feed Jacksonville's needy.

Every vote counts!

Kudos to the following students who were recognized during the month of November for doing acts of kindness towards another student or a staff member. Kindness is contagious. Thanks for being kind!
