The Greenwood Yearbook staff is selling advertising space in this year's yearbook! This space can be used to congratulate a student (or group of students) or can be used as a way of advertising your business. These ads are entirely customized by you so your ad says exactly what you want!

There are two different methods of creating your yearbook ad...

Create the ad entirely yourself digitally and submit it to us via email or CD/flash drive.

If you do this, please save the original on your computer and please save it as an image (jpg) if using a program such as Photoshop.

- or -

Tell us specifically what you would like your ad to say and how you would like it to look by filling out Ad Specifications form. If you have a photo you would like to use, you can submit it along with the form and we will scan it for you and return your original photo to you (photos can also be submitted via email or CD). We will then create your ad for you digitally.

Advertisement requirements are as follows:

No copyright protected images (unless you own the copyright).

If clipart is used, please provide it to us digitally. If it is not provided digitally, we will select something similar in its place from our clipart library.

Photos must be either digital or good quality prints that are undamaged.

Please fill out the necessary forms for each ad you would like to purchase (even if you plan to submit your created advertisement via email).

Return the form with your payment **no later than February 1st** so that our staff has adequate time to place your ad in the yearbook!

*The sale of these advertisements helps keep the cost of the yearbook down for everyone.
Thank you for your support!*
