Nicholas Gieschen, a 9th grader here at Greenwood School recently participated with his Boy Scout Troop in a project to refurbish Naval Hospital Jacksonville's Tactical Combat Casualty Care Course Memorial. Nicholas is a Life Scout and he worked on this project to assist fellow troop member, Dakota Young on his Eagle project. The Boy Scouts fixed up the memorial in honor of Petty Officer 3rd Class Julian Woods, who was killed in the Battle of Fallujah in 2004.

The scouts planted trees for shade and made new benches.

Naval Hospital Jacksonville dedicated the course to Petty Officer Woods who went to Ed White High School and was the first Corpsman from the hospital to be killed in Iraq.

We are very proud of Nicholas for all his hard work on this project.

The Regency Library is Closed

The Regency Public Library is now closed for remodeling and will remain closed through Monday, May 31st. Since students are not able to use the resources on the last few days of school, you might want to schedule an alternate pick-up location.

Kudos to these students who were caught performing an act of kindness toward others in April:

Adam Forest
India Jones
Mary Jones
Katie Kajenski
Alex Kleffman
Kenneth Morrison

We are very proud of you for displaying the Greenwood Spirit!

Foreclosure Help

If you know anyone who is facing foreclosure, they may be able to get help through www.JaxRealtyNetwork.com. This is an online faith based community that you can access from home.

Call the Doctor!!

Greenwood students are required to have a physical every year. Call your student's doctor early to make an appointment as the end of summer gets quite busy for doctors. The school requires the annual physical to be no more than one year from the date of the last physical. We realize that insurance companies will only pay for one physical per year, so timing is important.

Reminder:

The doctor **must** use Greenwood's physical form. We do not accept any other physical forms.
